Palouse Habitat for Humanity is the local affiliate of Habitat for Humanity International, an ecumenical Christian housing ministry. It was established in 1992 and has built homes in Colfax, Pullman, Moscow, Genesee, Palouse, Potlatch, Albion and Uniontown. Palouse Habitat’s mission is to bring people together to build homes, communities and hope. Hundreds of volunteers put in thousands of hours to build simple, decent, affordable and energy efficient homes for those in need. Habitat homeowners put in over 300 hours of sweat equity, contribute a share of the closing costs, and purchase their completed home from Palouse HFH for a zero-interest mortgage. Their monthly mortgage payments help build next Habitat home.
